

## MENTEE SURVEY

This survey will help us learn about you and the other youth who are participating in the mentoring program. It is important for us to learn as much as we can about what you get out of your participation and how we can improve the program to make it even better next year. It is important that you answer each question as *honestly* as you can. Remember that there are *no right or wrong answers*, so please do not answer the questions based on what you think we want to hear. Only the program coordinator will see how you answer the questions, and he or she will keep your answers confidential.
