

# Domestic Violence Awareness Month

2022 EVENTS

## No survivor justice without racial justice

In observance of Domestic Violence Awareness Month 2022, the National Resource Center on Domestic Violence, guided by the leadership of the Domestic Violence Awareness Project Advisory Group, is offering a variety of opportunities for engagement this October and beyond.

This year, NRC DV's activities, campaigns, and resources promote the alignment of our values with our actions as we navigate intersecting realities, grounded in our shared commitment to No Survivor Justice Without Racial Justice. For DVAM 2022, NRC DV is centering humanity, wellness, joy, and connectedness for advocates, survivors, and all who work alongside us towards collective liberation. **Join us!**
