GRANT WRITING – INFORMATION & RESOURCES

All About Grants Podcast - Office of Extramural Research (OER), National Institutes of Health (NIH)

http://grants.nih.gov/podcasts/All_About_Grants/index.htm

The Office of Extramural Research (OER) presents conversations with NIH staff members. Designed for investigators, fellows, students, research administrators, and others, we provide insights on grant topics from those who live and breathe the information. In mp3 and updated every other week.

Writing Grants: Part One: Developing a Grant Proposal, Part Two: Writing the Grant Proposal – The Catalog of Federal Domestic Assistance (CFDA)

<https://www.cfda.gov/?s=generalinfo&mode=list&tab=list&tabmode=list&static=grants>

The CFDA provides a thorough overview of the grant writing process and the components of a proposal.

Proposal Writing Short Course - The Foundation Center's Virtual Classroom

<http://foundationcenter.org/getstarted/training/online/>

The Proposal Writing Short Course is a free-guided tutorial to the basics of grant writing. This tutorial describes how to prepare a funding proposal, including the planning, research, and development of foundation and corporate donors.

EPA Grant-Writing Tutorial Purdue University

<http://www.purdue.edu/envirosoft/grants/src/title.htm>

The EPA developed this program with Purdue University to help communities and non-profit organizations identify financial assistance opportunities for their environmental-oriented development programs. This online tutorial works well for all types of grants. There are a total of eight tutorial sections, each with tips and writing samples. A mock grant writing activity is part of the tutorial.

Nonprofit Guides: Grant-writing Tools for Nonprofit Organizations A Project of Seacoast Web Design

<http://www.npguides.org/>

Nonprofit Guides are free web-based grant-writing tools for nonprofit organizations, charitable, educational, public organizations, and other community-minded groups. Sample proposals are available online.

Writing a Successful Grant Proposal - Minnesota Council on Foundations

<http://www.mcf.org/nonprofits/successful-grant-proposal>

Prepared for Grant-seeking in Minnesota, this guide provides good information for everyone following standard RFP sections or just requesting funding from any source. The outline is for a project proposal and is easy to follow. It does include the following variations: small project proposal, non-problem-based project, general operating proposal, and capital or endowment proposal.

All About Grant Tutorials – National Institute of Allergy and Infectious Diseases (NIAID)

<http://funding.niaid.nih.gov/researchfunding/grant/pages/aag.aspx>

All About Grants helps investigators plan and write grant applications and manage their awards.
