Where is your agency/organization when it comes to embracing a racial justice framework?

- 5% This is not a conversation we are having.
- 14% We explore intersectionality, but do not specifically name racism or white privilege.
- 20% Our organization regularly discusses racial justice.
- 9% We have incorporated racial justice language into our mission, vision, purpose, strategic plan, policy priorities, or other organizational documents.
- 5% Racial justice is part of our everyday work and we actively engage with community partners around this issue.

Have you heard of ACEs, the Adverse Childhood Experiences Study?

- 47% Yes
- 25% No
- 6% Not sure (sounds familiar, but...)

To what extent has learning about trauma-informed advocacy changed the way in which you do your work?

- 0% Not at all
- 15% Somewhat
- 16% Moderate amount
- 32% Very much
