

Guiding Principles for Working with Older Victims of Abuse

Friday, June 10, 2016

3:00 - 4:30pm Eastern / 2:00 - 3:30pm Central / 12:00 - 1:30pm Pacific

In commemoration of World Elder Abuse Awareness Day (observed annually on June 15), the NRC DV is hosting a webinar to promote a better understanding of abuse and neglect experienced by older persons and the cultural, social, economic and demographic processes affecting elder abuse and neglect. This webinar will highlight NCALL's guiding principles to help victim service providers better serve older adults victims of abuse.
